SHANGHAI MUNICIPAL POLICE
C. I. D. REGISTRY
No. I. O. D. 1.....
Date.....1. 5. 29.

February 1st, 9

My dear Shelley,

With reference to your
G.S.I. B/214 of January 29, inquiries show
that Mr. George B. Cressy, American citizen,
joined the staff of the Shanghai College and
Middle School some five years ago as Professor
of Geology. He is only a part time teacher and,
when not engaged in College, travels extensively
in North China collecting data regarding the
flora and fauna of that part of the country.
There is nothing in the Police records regarding
him, but as far as can be ascertained he is a
very respectable person who is undoubtedly sincere
in his request.

The Shanghai College was established
about 20 years ago by the American Baptist Mission.
It is still controlled by this body, although the
principalship has been given to a Chinese in
consequence of the new Education Law of the
Nationalist Government.

Yours sincerely,

Capt. J.P. Shelley,
North China Command.
